

Leasing in 6 EASY STEPS

How the program works:

- 1.** Offer leasing as an alternative to cash on every sale.
- 2.** Help the customer complete the credit application and fax it to 888-479-1100.
- 3.** Once received, a credit decision is made within 2-4 hours.
- 4.** Upon credit approval, Marlin faxes the documents directly to the dealer or to the customer (whichever you prefer).
- 5.** You may install the equipment when Marlin receives the faxed copy of the signed lease.
- 6.** Once installation is completed, funding occurs within 24 hours!

IT'S THAT SIMPLE!
